## INSTALLATION INSTRUCTIONS

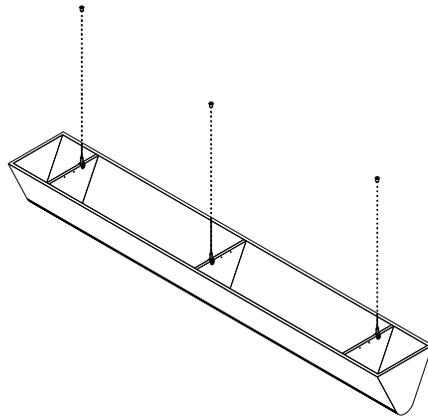

### Evoke Blade

Page 7

### Evoke Ravine

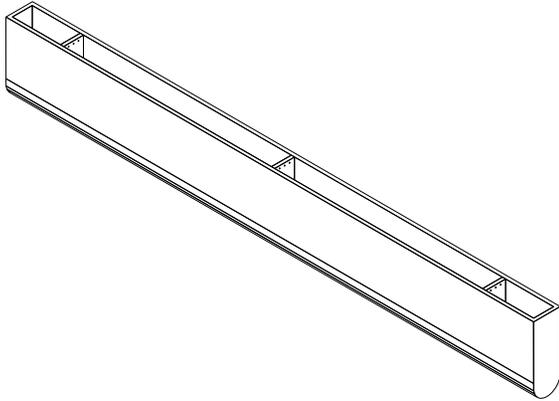

Page 8

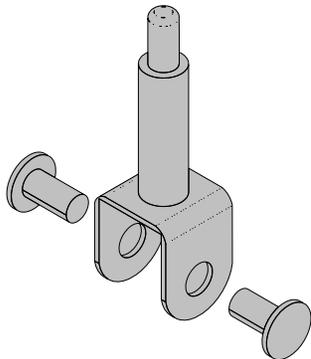

# Evoke

## INSTALLATION INSTRUCTIONS · EVOKE BLADE

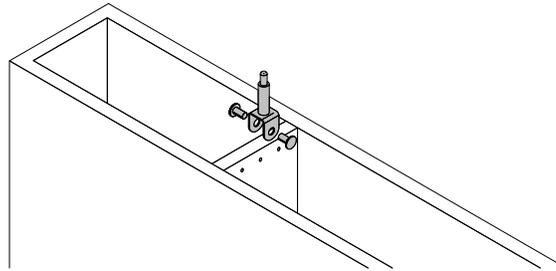

1. Locate the Evoke Blade.

2. Locate the Shoulder-bracket provided.

3. Align the Shoulder-bracket with one of the small cut-out holes on each brace, using either the left or the right hole.

4. Now tighten the bolt portion of the Shoulder-bracket hardware.

5. Now install the remaining Shoulder-brackets (one per brace). Be sure to alternate your fixing location to the opposite side for each brace down the length of the Blade as shown in the image below, this will enable the product to be leveled after final installation.

When all Shoulder-brackets have been installed and tightened, your Evoke Blade is now complete and ready to be suspended from the ceiling.

*(Please refer to the Ceiling Hardware Install Guide, using the QR code on page 4, for the final steps).*

## COLOR MATCH SERVICES

### Can't find the tone you're looking for?

Hush Acoustics' felt Color Match services enhance architectural projects with rich visuals and tactile appeal, whether for panels, murals, or other design applications. Our felt brings depth and sophistication to any space, offering a customizable and memorable design element that elevates the overall experience.

With advanced equipment, we produce high-resolution, color-accurate results that capture subtle gradients and fine textures, all while maintaining acoustic performance. Every Color Match is carefully managed by our Senior Graphic Designer to ensure that the final output closely aligns with the designer's original vision.

### Commonly Matched Materials (matte finishes only):

#### Wall Paints

Dulux, Benjamin Moore, Behr, and other popular brands

#### Pantone® Hues

We simulate your company's brand tones using the Pantone® Uncoated palette

#### Fabric

From linen to wool, we match not just the color, but also the texture in most of the cases

#### Stones

We can simulate a wide variety of stone types based on your needs

#### Wood Laminates

WilsonArt and other popular brands

#### Generic Textures

Get in touch with our Acoustic Specialists, we will be glad to assist you
