GREENGUARD® GOLD CERTIFICATION

Hush Acoustics has achieved full GreenGuard® Gold sustainability certification, a mark of excellence that ensures our products meet strict standards for low chemical emissions, promoting healthier indoor air quality.

This recognition gives architects, designers, and consumers confidence in choosing Hush for environmentally responsible solutions. Beyond sustainability, Hush's felt products offer excellent sound-absorbing properties, making them ideal for creating quieter, more comfortable spaces.

SUSTAINABILITY

Manufactured from 100% PET(60% recycled material), our felt products demonstrate our commitment to both environmental stewardship and functional design, contributing to a greener and quieter future. It comprising of flame-retardant fiber as new material ensuring ASTM E84 class A certification. The high strength of PET panels in comparison to its weight is the key to its superior energy efficiency.

FUNGAL RESISTANT

Independently tested by EMSL Canada, Hush P.E.T. felt showed zero mold growth under ASTM C1338 laboratory conditions, confirming exceptional durability.

WARRANTY

2 year limited warranty. See F.A.Q. page on our website for more information.

HOW TO SPECIFY

1. Select Design

Bull

Gazelle

Moose

Swordfish

2. Select Size

See [page 4](#) for full size chart

3. Select Color

Element

Luxe Series

Wood Grains

Concrete & Stone Grains

Trophies

INSTALLATION INSTRUCTIONS

1. Identify the mounting holes on the back of the Trophie product.

(Please note; product designs may vary from what is shown below).

2. Measure the center-to-center distance on the mounting 'key-hole' cutouts.

3. Now, fix two mounting anchors (such as screws) to the wall, using the same spacing as measured from the key-hole cutouts. Be sure to use anchors suitable for your wall type.

4. Ensure that approx 25mm of anchor remains protruding from the wall.

5. Now place the Trophie on to the anchors, ensuring that the anchor is seated into the small upper portion of the key-hole cutout.

6. Tighten the anchors if necessary to make sure that the Trophie is snug against the wall. Your Trophie install is now complete.

COLOR MATCH SERVICES

Can't find the tone you're looking for?

Hush Acoustics' felt Color Match services enhance architectural projects with rich visuals and tactile appeal, whether for panels, murals, or other design applications. Our felt brings depth and sophistication to any space, offering a customizable and memorable design element that elevates the overall experience.

With advanced equipment, we produce high-resolution, color-accurate results that capture subtle gradients and find textures, all while maintaining acoustic performance. Every Color Match is carefully managed by our Senior Graphic Designer to ensure that the final output closely aligns with the designer's original vision.

Commonly Matched Materials (matte finishes only):

Wall Paints

Dulux, Benjamin Moore, Behr, and other popular brands

Pantone® Hues

We simulate your company's brand tones using the Pantone® Uncoated palette

Fabric

From linen to wool, we match not just the color, but also the texture in most of the cases

Stones

We can simulate a wide variety of stone types based on your needs

Wood Laminates

WilsonArt and other popular brands

Generic Textures

Get in touch with our Acoustic Specialists, we will be glad to assist you
